Phone Number: 415-655-0002 | Access Code: 660 634 559 | Event Password: aging

Drs. Ana Quiñones and Melissa Wei will be presenting on the health-related consequences of multimorbidity, including its measurement and tracking among diverse populations

Questions you would like to have answered during the webinar will be accepted prior to the webinar;
Please send questions to Christopher.Delude@meyersprimary.org by Friday, February 28th.

The HCRSN-OAICs AGING Initiative is an NIA-funded joint endeavor of the Health Care Systems Research Network (HCSRN) and the Claude D. Pepper Older Americans Independence Centers (OAICs) to create a national resource to advance interdisciplinary research focused on older adults with multiple chronic conditions (MCCs). This webinar series is hosted by the Dissemination Workgroup, co-led by Dr. Leah Hanson, HealthPartners, and Dr. Heather Whitson, Duke University, of the AGING Initiative.

For more information about joining this webinar, please contact Chris Delude at: Christopher.Delude@meyersprimary.org
