Phone Number: 415-655-0002 | Access Code: 668 334 134

Libby Hoy and Dr. Jane Jih will be engaging in an interactive dialogue on the “how-to’s” of creating patient and community partnerships in order to enhance research. Content and resources on patient engagement will be supplemented with lived examples, and audience members are encouraged to share their own experiences and challenges in the process.

Questions you’d like to be answered during the webinar will be accepted prior to the webinar; Please send questions to Christopher.Delude@meyersprimary.org by Tuesday, August 13th.

The HCSRN-OAICs AGING (Advancing Geriatrics Infrastructure & Network Growth) Initiative is an NIA-funded endeavor with the goal of connecting investigators and resources within the Health Care Systems Research Network (HCSRN) with those in the Claude D. Pepper Older Americans Independence Centers (OAICs) to create a national resource to advance an interdisciplinary research agenda focused on older adults with multiple chronic conditions (MCCs). This webinar series is hosted by the Dissemination Workgroup, co-led by Dr. Leah Hanson, HealthPartners, and Dr. Heather Whitson, Duke University, of the HCSRN-OAICs AGING Initiative.

For more information about joining this webinar, please contact Chris Delude at: Christopher.Delude@meyersprimary.org
