

Draft 7/24/2024

## WORKSHOP AGENDA

### Climate Change and Aging

Tuesday, November 12, 2024

Seattle, WA

8:00 - 8:30am	Welcome, Overview, and Goals of the Workshop	
8:30 – 9:00am	<b>Plenary: NIA Priorities and Program Areas</b>	Emerald Nguyen
	<b>Discussion Topic I: Exposures</b>	<b>Moderator:</b>
9:00-9:15am	Heat Waves, Climate Change, and Implications for an Aging Population	Kai Chen
9:15-9:30am	Impact of natural disasters on social relations in aging populations	
9:30-9:45am	Cold snaps impact on aging populations	
9:45-10:00am	Impact of climate change on infectious disease mortality	Ayesha Mahmud
10:00-10:20am	<b>Moderator Wrap-up/Group Discussion</b>	
10:20-10:35 minutes	<b>BREAK</b>	
	<b>Discussion Topic II: Vulnerabilities</b>	<b>Moderator:</b>
10:35-10:50am	Post disaster vulnerabilities and resilience of older adults	Alexis A Merdjanoff
10:50-11:05am	Population Aging and Heat Exposure in the 21st Century	Deborah Carr
11:05-11:20am	Intersection of vulnerability and resilience to climate change in marginalized communities	Nnenia Campbell
11:20-11:35am	Climate change and noncommunicable disease risk	
11:35-11:55am	<b>Moderator Wrap-up/ Group Discussion</b>	

11:55am-1:30pm	Lunch	
1:30-2:00pm	<b>Plenary: Geroscience and Climate Science: Oppositional or Complementary</b>	Collin Farrelly
	<b>Topic III: Interventions to Cope with Climate Change</b>	<b>Moderator:</b>
2:00-2:15pm	Reducing community and nursing home exposure to a changing climate	David Dosa

2:15-2:30pm	Exploring catastrophic climate change scenarios impact on older adults	Timothy Kohler
2:30-2:45pm	Urban design and resilience to climate change	Arnab Ghosh
2:45-3:00pm	Policy mitigation of economic instability after a natural disaster	
3:00-3:20pm	<b>Moderator Wrap-up/Group Discussion</b>	
3:20-3:35pm	<b>BREAK</b>	
	<b>Discussion Topic IV: Intermediary between disaster and the health outcomes</b>	<b>Moderator:</b>
3:35-3:50pm	Thermal Stress and older populations	Craig Crandall
3:50-4:05pm	Environmental exposures impact on dementia risk	Aisha Dickerson
4:05-4:20pm	Communication and public health consequences	
4:20-4:35pm	Mitigation through interrupted pathways between exposure and health consequence to older adults	Carina Gronlund
4:35-4:55pm	<b>Moderator Wrap-up/ Group Discussion</b>	
4:55-5:15pm	<b>Closing Discussion</b>	

6-8pm	<b>Reception</b>	
	<b>Adjourn</b>	

\*indicates researcher not specifically focused on older populations but could adapt talk to them
